### **VINCENT QUINONES JOINS SCS AS VICE PRESIDENT/CONSTRUCTION EXECUTIVE**

PASADENA, CA (April, 2010) - Seville Construction Services, Inc. (SCS) announced that Vincent Quinones will be joining SCS as **Vice President/Construction Executive**. Vince has nearly 35 years of experience in the construction industry and has managed the construction of a wide range of public and private facilities, as well as infrastructure projects. Throughout his career, he has consistently provided the leadership necessary to maintain cost and schedule control, ensuring the successful completion of many complex projects

Vince originally joined Turner Construction Company in Houston, Texas in 1978 and held various positions with the company including Vice President/Operations Manager, Project Executive, Project Manager, Project Superintendent, Cost Engineer, Assistant Engineer, Assistant Superintendent and Field Engineer. Most recently he served as Vice President and Operations Manager for Turner and was involved with operations of the business units, including staff assignments. He resolved complicated technical issues and formulated action plans integrating multiple project team members.

He has also served as Principal in Charge and Project Director on representative projects such as the \$450 million Terreana Hotel and Resort for Lowes Corporation; multiple New K-12 school construction projects for the Los Angeles Unified School District; design/build of the \$35 million Los Padrinos Juvenile Detention Facility for the County of Los Angeles; the \$105 million Los Angeles International Airport Terminal 2 Renovation; the \$100 million Long Beach Convention Center Renovation & Expansion; the \$100 million Southwest Justice Center in Temecula for the County of Riverside; the \$100 million Long Beach Aquarium of the Pacific; the \$200 million Miller Children's Hospital in Long Beach; and the \$70 million Rand World Headquarters. Vince has also delivered nearly \$1 billion in Class A high rise commercial towers throughout the United States.

Vince holds a Bachelors of Science in Building Construction Technology from the University of Southern Mississippi. He is active in various professional affiliations, including serving as a Board Member of The Associated General Contractors of America, as well as a member of the Hard Hat Committee of the Habitat for Humanity (San Gabriel Valley Chapter).

"SCS is extremely fortunate to have Vince's many years of expertise on a variety of large world-class projects," said Jeff Flores, President and CEO of SCS. "He brings a wealth of experience as a world-class builder managing large complex construction activities in the field, and will play a key role in continuing to expand our reach into Alternative Delivery projects."
